Eve Tools Planetary Interaction Tutorial

With the increase of shadows, the report timer must be shortened Important: A route can only run through a maximum of 6 structures, so plan wisely.. Please do not access this content unless you are an adult (at least the majority in your country) or unless expressly stated otherwise.

Double-click (or click Launchpad) to complete the route This will fix it Secondly, there is a problem with arrangement of structures in the case of planets that only convert products that do not produce (no extracts).
